101	May 11, 2009-May 15, 2009	Farmington
102*	June 15, 2009-June 19, 2009	Middletown

**Enrollment will not be accepted into this class until a determination is made whether it will be needed.*

Class Minimums are thirty (30) full time students. Classes that do not meet minimum requirements will be cancelled. In order to prevent cancellations, we recommend that you enroll students early in the process and spread out your enrollment as much as possible. Departments that delay in enrolling create a "bubble effect" filling classes to the brim at the end and leaving too many open seats in the beginning of the training year.

The Class Minimum has been approved by the Chiefs and will be enforced.

Please note that roster requirements will also be **strictly enforced**. A set of Student Rules is attached hereto and it is recommended that a copy of the Student Rules be posted at each department in an appropriate area, and given to the individual registered. Student Rules will be distributed and reinforced on the Monday morning of the program.
